MY

Our Academy Collection is inspired by dancers in training who return to the barre day after day to perfect their craft. This year, we've added new colors, new styles, and a new fabric to help our dedicated retailers serve dance studios with an even larger collection of basics.

The Academy catalog can be utilized to aid dance teachers in creating a high quality, high performance studio uniform, including leotards, skirts, warm-ups and other accessories. New in 2022, retailers can make Academy Collection styles uniquely their own by customizing design features, colors, fabrics, or adding studio logos (see price list for minimums and information).

**Find the perfect style for every dancer by choosing from
two different collections for girls and women:**

The Aspire Collection was created with the input of experienced dancers around the world, featuring a variety of leglines meant to elegantly highlight the dancer's form and elongate the legs.

Our Modern Classics Collection provides fashionable basics for dancers of all ages, made of our exclusive Italian Microfiber in an expanded range of colors. New in 2022, Modern Classics styles may now also be ordered in our luxuriously soft and eco-friendly Tencel™ fabric.

Academy styles for boys and men can be found in our Ballet Rosa HOMME catalog, launched in 2021. Ballet Rosa HOMME is the first dancewear catalog created exclusively for the male dancer.

Every detail in each collection, from the leglines to the materials, writes a love letter to the beauty and grace of each individual dancer. We proudly present to you:
Ballet Rosa Academy 2022.

Fall in love with basics all over again.

Wash and Special Care

Garments made with chiffon or stretch mesh should be handled with extra care. The brand will not be held liable for any damages caused by excessive or inappropriate usage.

Keeping your Ballet Rosa products in good shape depends solely upon your care. Each material has different quality standards. Please respect the wash care labels and the care instructions stated below.

Hand wash in cold water · Use mild detergent
Do not iron · Do not tumble dry · Allow to dry flat

Intense sweating combined with the high temperature of the body over long periods could have negative effects and cause discoloration.

i Color references are merely informative. Colors may vary slightly depending on material and dying batch.

Bust Wrap the measuring tape around the fullest part of your chest.

Waist Measure around your natural waistline, which is the smallest area of the waist.

Hips Stand with feet together. Keeping tape straight and parallel to the floor, measure around fullest part.

Girth Place a tape measure at the top of the shoulder where a leotard strap sits, then down under the groin and back to the same shoulder.

Inseam Measure inside length of your leg from the groin to bottom of ankle.

Thank you for believing in us as we believe in you. We are honored that when it comes to choosing what to wear while displaying their artistry, dancers choose Ballet Rosa. We are humbled each time our retailers choose to hang our designs on their racks. The strength of the support we have received from the dancers, retailers, friends, family, and the team at Ballet Rosa have powered us through the most challenging of times.

To all those who participated in the creation of our 2022 Academy Catalog, we thank you.

Thank You
