## LOUVRE COLLECTION

Our Louvre Collection is a work of diaphanous fortitude. Each piece is available in four elegant color combinations, embellished with a stretch embroidery made to move effortlessly with the dancer. The combination of our foundational Italian microfiber, four-way stretch mesh, and elastic embroidered floral motifs complement both a dancer's strength and femininity.

## VERSAILLES COLLECTION

Inspired by Victorian fashion and design, our team set out to accomplish a technically complicated aesthetic that combines three texture profiles: luxurious Italian microfiber, four-way stretch mesh, and velvety flock embossing. We are pleased to present two new styles that are as elegant as they are tactile: Adéle, an eye-catching leotard, and Leonie, a stretch mesh wrap skirt that goes with everything.

## PALAIS-ROYAL COLLECTION

The secret to our stunning floral embroidery for the Anette and Gigi is our foundation of Italian microfiber and four-way stretch mesh. Just as a rose adds beauty to any trellis, our embroidery adds romanticism to a leotard that will work as hard as you do. For subtle elegance, choose embroidery in noir, or to stand out from the rest, opt for florals in bordeaux.

## IMPERIALE COLLECTION

Notice the nod to grand chandeliers, gilded frames, and hand printed wallpaper; the artistry that decorates the grand palaces and estates throughout Europe. Overlaying these motifs atop our modern Italian microfiber silhouettes resulted in our new Imperiale Collection: a totally unique interpretation of old and new world elegance. Simone and Orialie feature a textured flock design that is echoed on Séverine as a smooth graphic print.

## ITALIENNE COLLECTION

Ballet Rosa's fashionable Italian microfiber styles are the foundation pieces of our company. Too distinctive to be called basic, our clean silhouettes are inspired by the dancers who embody the strength, athleticism, and artistry that take our designs from classwear to works of art. We have introduced four new microfiber colors to our collection, each as touchably soft and elegant as the rest.

## ISABELLE CIARAVOLA

Isabelle Ciaravola rose to the rank of étoile at the Paris Opera Ballet and is currently one of only 18 principal dancers to hold this lifelong award. Mme. Ciaravola marveled audiences for 24 years before her retirement from the stage and is now training the next generation of dancers. Her eponymous Collection has resulted in some of Ballet Rosa's most eye catching designs. We are inspired by her artistry, her invaluable knowledge, and inimitable experience. ## SPECIAL CARE

Due to the delicate nature of certain materials, kindly wear the dancewear garments made of lace, embroidery, flock print, and stretch mesh with great care. Wash by hand in a delicate way. The brand will not be liable for any damages caused by excessive or inappropriate usage.

## WASH AND CARE

Keeping your Ballet Rosa products in good shape depends solely on your care. Each material has different quality standards. We suggest you respect the wash care labels and the care instructions stated below.

Garments made of lace, embroidery, flock print, and stretch mesh should follow these instructions:

Hand wash in cold water · Use mild detergent · Do not iron · Do not tumble dry · Allow to dry flat

**Attention:** intense sweating combined with the high temperature of the body over long periods could have negative effects and cause discoloration.

Color references are merely informative. Colors may vary slightly depending on material and dying batch.
