CRÉATEUR 2022

www.balletrosa.com

Adaptability is the difference that makes a good artist a truly versatile one, and it is this quality that also develops the resilience which fosters the strength in every dancer. The ability to push through difficulty and recover graciously builds on this strength and creates an effortless effect in their movement. While we planned our 2022 Crteur Catalog, we used this quality as our inspiration to breathe life into our designs with the touches of modern and classic motifs. We are pleased to present our full collection of new silhouettes, colors, fabrics, and patterns. Our adaptability is proven through the development of new technologies used in crafting this collection. We are proud to introduce a new, sustainable fabric, Sensil®, infused with recycled ocean plastic, that allows Ballet Rosa to align more closely to nature, from which we so often draw our inspiration. Stretching the boundaries of creative design, we emphasized a growth in technologies from printing to embroidery, enabling more intricately detailed styles. While we always strive to create dancewear that matches the inner strength and external delicacy of the artists who wear them, this year, we wanted to place a heavier focus on this universal story of triumph over trial.

VINCENNES

Launching for the first time, our Vincennes collection is united by Sensil®, our brand new sustainable microfiber that aligns our designs with our shared human need to protect nature. These all-new styles also feature a new four-way stretch antique lace pattern depicting fine floral motifs, adding a touch of elegance to the sophisticated new styles. The Charlotte is a unique tank style with a decorative lace panel along the back. Laura is a lace yoke tank leotard with a head-turning open back. There are also two high neck styles in the collection, with equally charming designs: Chanel, featuring alluring half sleeves with an embroidered mesh yoke, and Dominique, with lace overlays along the side of the style and keyhole cutouts in the front and back. The styles are all available in timeless Noir in adult sizing.

FONTAINEBLEAU

Introducing the all-new Fontainebleau collection, these sleek, classic, and simply elegant styles are crafted using our ground-breaking Sensil® sustainable microfiber fabric. Created with the inspiration of simple, clean lines formed by the dancer's silhouette, this collection uses embroidery reminiscent of delicate vintage lace, and soft, satiny elastic straps which elongate the lines of the body. Valera, Via, and Bliss all showcase delightful laser cut floral details. Kade and Maura are designed using fine elastic straps with intricate placement. Darra features an embroidered floral appliquéd suspended between satin elastic straps, embodying Ballet Rosa's mastery of technique and design. The styles in this collection are available in adult sizing in classic Noir.

A U T R I C H E

Captivating and graceful, the Autriche collection has become a symbol of the Ballet Rosa style. Our most iconic and best selling collection is welcoming three new styles, Aly, Mirielle and Lucienne, that are embellished with Austrian lace and luscious floral designs. Mirielle is a high neck style with a stunning lace overlay on the bodice, creating length along the front of the leotard. Lucienne is strikingly beautiful with a regal essence borne from the lengthening mesh and lace half sleeves which meet with the feminine lace yoke, adding an element of poise in the design. This collection now features our five most popular colors, Noir, Marine, Royal, Bordeaux, and Blanc. Each style is front lined and crafted with smooth, Italian-made matte Lycra. This evocative collection offers styles for both youth and adult sizing.

IMPERIALE

The Imperiale collection, influenced by elaborate designs of palatial architecture and floral motifs, features sophisticated styles that inspire the artistry of every dancer. The Orialie and Simone designs are made with soft velvet detailing that creates an alluring effect while their necklines add elegance, elongating the dancer's lines. VERSAILLES

Walk the halls of the Palace of Versailles, and you will be drawn to the opulence and grandeur of this royal estate. We chose to bring the majesty of Versailles to the designs of our collection through luxurious velvet garlands that accentuate the femininity of the body. Our styles are constructed with four-way stretch mesh and silky Italian microfiber, featuring two new jewel tone shades: Orchidée and Marine, both with Noir velvet embroidery. Other additions to the Versailles series include a new high neck halter leotard style, Edith, and a new pull-on skirt style, Phoebe, with matching velvet detailing made in the new Marine, Noir, and Orchidée colors with Noir embroidery. Versailles is available in adult sizing, as well as youth sizes in select styles.

GARNIER

One of our most popular collections since its inception, Garnier draws from the serenity and charm found in nature and pairs with the romanticism of 19th century Europe. Garnier is designed using laser-cut embroidery and four-way stretch mesh, contouring the body with every movement. The beauty lies in the detailing, uniting old-world craftsmanship with modern technology. This year, we introduce a new style, Trista, a sweet yet alluring cap-sleeve leotard with embroidery trimmed along the edges. Garnier is offered in youth and adult sizing.

LA CITÉ

La Cité collection takes influence from the ways that dancers express themselves through modern and traditional tattoo designs. Motifs of floral and angel wing designs decorate the four-way stretch mesh that effortlessly complements the microfiber bodice. New this year is a new white print, joining the fierce shade of red over the mesh material providing an edgy effect that is sure to light a fire in the dancer who wears these styles. Our Homme catalog for the male dancer, launched in 2021, also features styles that coordinate with the designs from La Cité, making this one of our most unique collections. La Cité is available in youth and adult sizes.

ANOUK

A woman with dark curly hair is captured in mid-air, performing a dynamic dance move. She wears a vibrant red leotard with a large, triangular cutout on the back and a flowing, multi-layered tulle skirt. Her arms are extended, and her legs are kicked high. The background is a soft, out-of-focus grey.

TULLE

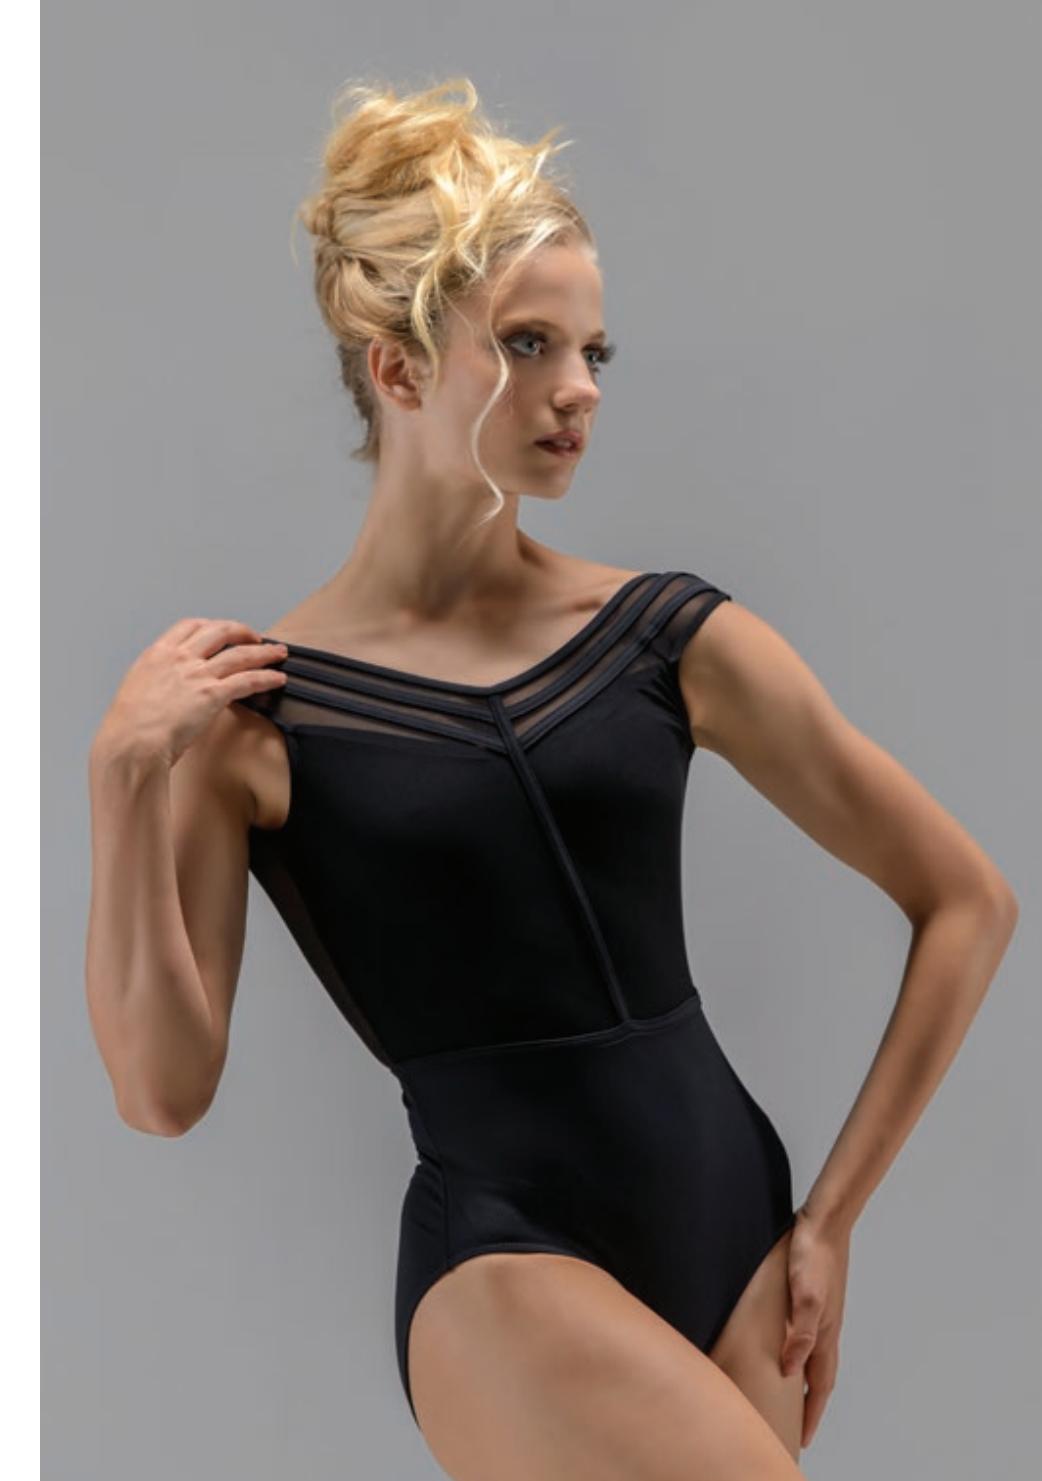

Adding more new styles than any other collection this year with six new designs, plus three best sellers adding new colors, is the stunning Tulle collection. Drawing from the golden age of old Hollywood fashion and the symmetrical line work of art deco architecture, the Tulle collection combines elegant shapes with contoured mesh and seamwork, evoking a sophisticated, modern effect. We introduce a range of new, flowing skirt styles, along with new leotard designs featuring our four-way stretch mesh. Ninette, Natasha, and Skylar styles are also offered in an impressive range of 24 colors, perfect for coordinating with styles across the entire Ballet Rosa line. This collection is available in adult sizing, as well as youth sizing in select styles.

HOW TO MEASURE

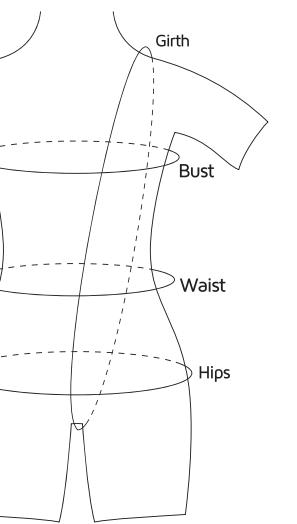

Bust Wrap the measuring tape around the fullest part of your chest.

Waist Measure around your natural waistline, which is the smallest area of the waist.

Hips Stand with feet together. Keeping tape straight and parallel to the floor, measure around fullest part.

Girth Place a tape measure at the top of the shoulder where a leotard strap sits, then down through the crotch and back to the same shoulder.

Inseam Measure inside the length of your leg from the crotch to bottom of ankle.

The unwavering perseverance of dancers throughout these unprecedented, challenging times, has served as a beacon to focus our passion and purpose. With all there is to consider about what we have been through globally, a simple thank you is not enough as we are forced to reassess the depths of our gratitude. We are humbled by the sustained support of our retailers, the dance community, and our staff throughout the hardship we have all experienced together. The strength of our shared community is Ballet Rosa's greatest source of ingenuity and inspiration.

A special thanks is due to those who have participated in the creation of our 2022 Crateur Catalog, without whom we would not be able to help dancers express their resilience and talent:
